22 JUN 1962

MEMORANDUM FOR: Deputy Director/Intelligence

SUBJECT: USIB-D-27.1/18 - Coordination Staff Report
Regarding the Committee Structure of the
United States Intelligence Board

REFERENCE: AD/SI Memorandum to DD/I, dated 20 Feb 62,
same subject

25X1

2. In supporting the new concept of the CCPC, we would like to point out that in addition to advantages cited by the Coordination Staff, the new CCPC would provide a means now absent for reviewing and staffing for the USIB, recommendations for the initiation of major new technical collection projects, e.g. [redacted] etc.

25X1

3. With regard to the disestablishment of the NIS Committee, we wish to point out that it will be necessary to clarify the roles of other subcommittees such as the SIC in the coordination of NIS contributions. To this end it probably will be necessary to revise appropriate DCID's.

25X1

for ALBERT D. WHEELON
Assistant Director
Scientific Intelligence
